WHY: To enjoy the camaraderie, catch a phenomenal view of the Rocky Mountains, eat great food, gear up for NSC '11, and, if we're lucky, hear a few piano riffs from our then-17-year-old-daughter Melina before she takes off for points far-and-not-so-wee.

Consider extending your weekend to include Santa Fe (50 minutes north of Corrales), the world's longest tram ride (25 minutes east of Corrales), a variety of Indian pueblos (including Acoma-Sky City, the longest continuously occupied residence in the US, about an hour west). Email us at: mbaron1949@aol.com or pdeutsch@unm.edu.
